SKIS

ALL MOUNTAIN

Salomon Lord/Lady
 Rockered all mountain ski for him and her.

Armada AR7
 The perfect tool for the piste, the park and venturing off piste.

Volkl Gotama
 Legendary playful big mountain ski, early rise and a twin tip.

FREERIDE

K2 Obsethed
 Seth skis it - enough said really.

K2 Midbehaved
 THE girls ski to ride - wide, rockered and ready to charge.

Armada JJ
 The most versatile backcountry ski on the market. Five point rockered design takes you from the trees to the chair!

Volkl Katana
 Stiff and fast, charges lines and floats in the powder.

POWDER

Armada ARG
 Simply put, the most progressive pure powder ski available.

Line EP Pro
 Designed by Eric Pollard to make impossible tricks possible in the powder.

K2 Hellbent
 Fast and Fat! Tackles the deepest snow but takes you back to the left too.

SNOWBOARDS

ALL MOUNTAIN

Burton Custom Cartel Bindings
 Powder to Park this board does it all - just really well! A long standing legend.

Burton Process Mission Bindings
 Wake up - Ride - Repeat. Smooth ride, BC jumps, stashes, floats on the snow and in the air.

Rome Agent 390 Bindings
 Rooted in the park but itches to break free to roam the mountain. Plenty of pop and loads of fun.

Rome Headline Arsenal Bindings
 Speed and stability of a long board, manoeuvrability of a short board.

Rome Vinyl Arsenal Bindings
 Womens specific all mountain shredder!

FREERIDE

Rome Anthem 390 Bindings
 Deep snow, open faces and bomber cliffs? This is the board to take it on.

Rome Blue Madison Bindings
 Womens specific deep snow charger!

POWDER

Rome Notch 390 Bindings
 Leave your friends at home, THIS is the only friend you need on a powder day.
